

Blue of a Kind, a male a cappella chorus based in Melrose, is looking forward to entertaining you with a variety of songs from jazz or pop to folk, patriotic or spiritual. With dozens of tunes in our repertoire, most of them arranged especially for our group, we can offer great entertainment for almost any event or organization. We feature fun and novel arrangements of many folk songs and popular music from the '40s through the '80s; sea chanteys, work songs, and a number of spirituals; some familiar and some seldom heard. Please contact us at the e-mail address below if you have any questions or need more information.

Blue of a Kind was started by Bob Eggers in 2005 with a vision of recreating the a cappella experience he knew in college. A native of Garden City, NY, he earned his undergraduate degree from Yale University

where he directed the Society of Orpheus and Bacchus, and was assistant director of the Yale Wiffenpoofs. He is an avid choral arranger and devotes himself to developing original arrangements and works for the male voice.
